

# A Bridge to Home Campaign Update

***Building Hope, One Step at a Time***

February 2026

Thanks to your incredible support, the Bridge to Home campaign is strong, energized, and moving forward with purpose. Here's what's happening this month.

## Construction Progress - 32 Bridge Street

The site is buzzing with activity! Recently, 12 trades vehicles filled the driveway at 32 Bridge Street—a great sign of steady, coordinated progress.

Inside the building:

- Perimeter walls are being dry walled floor by floor
- Electrical and plumbing work is nearing completion
- Heat pumps are installed, and ducting is almost finished
- The mechanical room is being insulated to ensure the building runs efficiently

On the main level:

- All interior framing is complete
- Exterior window frames are now in place
- Glass installation and bathtub deliveries are scheduled this month, launching the next phase of interior finishing

Every day brings this building closer to welcoming its future tenants—and the community—into a safe, dignified, purpose-built space.

## Community Impact

We closed out 2025 with two remarkable community-driven successes:

### The 32 & You Matching Gift Program

You helped raise over \$80,000, doubling impact and accelerating campaign momentum.

### The 32 Days of Winning Raffle

The community embraced this fun initiative, contributing an additional \$14,000 to the campaign.

Thanks to the outpouring of generosity from donors like you, the campaign has now reached **80% of its \$1.5 million goal!**

**“This campaign’s success is a reflection of our community’s heart,” says Campaign Chair Kathy Ballantyne. “Together, we are giving women hope—and a future filled with possibility.”**

Housing is more than shelter; it’s the foundation of a healthier life. By giving, you are helping create that foundation for those who need it most.

## Looking Ahead: Your Support Matters in 2026
